Golf Tournament Benefits United Way

Rock Springs – Over \$25,000 was raised at the Second Annual United Way Golf Tournament that took place Sept. 28 at the White Mountain Golf Course in Rock Springs. Proceeds benefit the United Way of Southwest Wyoming Endowment Fund.

One hundred sixteen players participated in the four person scramble tournament that was scored using the Peoria System. Team Shrek, sponsored by DR Griffin and Associates, placed first with the Champion Technologies team and ExxonMobil LaBarge Operations team coming in second and third respectively.

Individual player contests were also held throughout the tournament. Longest Putt went to Rick Angle, Closest to the Pin was Ronnie Bell, and Longest Drive winners were Deb Erwin and Shannon Riley.

“The Endowment Fund is separate from our Annual Campaign,” said United Way Executive Director Suzanne Zutter. “When contributions are made to this permanent account it lasts forever. Only the interest is spent to continue creating lasting solutions in southwest Wyoming, building a stronger, healthier community for generations to come.”

“This event would not be successful without the local businesses that sponsor the event,” said United Way Director of Marketing and Communications Kelly Frink. “They sponsor teams, holes, food and prizes.” Hole and food sponsors included 9 Iron Grill, A-Plus Benefits, BP America, Cameron, Champion Technologies, Communication Technologies, Costantino Construction, DR Griffin and Associates, Halliburton, John Bunning Transfer Comp., Inc., Knight Oil Tools, McDonald’s Restaurant, McJunkin Redman, Plan One Architect, ReMax Property Center, Rick Bregger with AXA Advisors, Rocky Mountain Bank, Rodeo Grill, Snelson Companies, Inc., Simplot Phosphates, National Oilwell Varco, Western Wyoming Beverages, and Wire Brothers.
